Kiger Ginny Siempre Bailando KCA

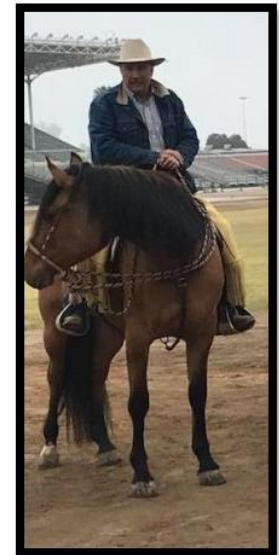

Wild Kiger HMA Mare

Ginny is a lovely 6 yr. old Classic

Dun Kiger mare born on the Kiger HMA in 2014, She has that highly sought after larger conformation, as well as tons of hair and giant kind eyes. She is green under saddle but has been ridden lightly in the mountains and in public Kiger breed demos. Turned out for the last year.

She has her BLM title and is registered with the KMA. She can also be registered with all other associations including: KHAR, IBHA, ABRA. BKMR. Etc. She has never been bred. But sales contract could include a breeding to either of the Champion branded Kiger Stallions owned by KCA. She is sound and blemish free, no injuries or issues. Ready to go any direction. Her size and lovely movement points towards Dressage, her confident Kiger attitude says she can chase a cow, climb a mountain or jump a cross country course.
